Dear Victor:

Pam, Brian, and I have discussed your impressive background. You were already an accomplished and recognized member of the legal community when I was admitted to the bar. All three of us agree that your abilities far outshine any possible position that we could offer you in the Town Attorney's office. This is one of those peculiar situations where an applicant is overqualified for a position.

As my wife and I are both members of the Friends of the National Parks at Gettysburg, having first visited the battlefield on our honeymoon in May 1973, I saw that you were involved in the Gettysburg National Battlefield Tower litigation in 1974. As the tower only came down a few years ago, I was just wondering which side of the litigation you were on.

All of us wish you only the best for the future.

Very truly yours,

Robert F. Quinlan  
Town Attorney
